

The OITS International Conference on Information Technology (OCIT) is a premier international forum for high quality research in the areas of Information Technology. OCIT 2025 is being jointly organized by the Orissa Information Technology Society (OITS) (www.oits-icit.org/OITS) and KIIT Deemed to be University, India (<https://kiit.ac.in>). Researchers, developers, and practitioners from academia and industry are invited to present their research finding on various topics and its application. The Proceeding of this conference will be published by IEEE (Conference Record #66168).

CONTRIBUTIONS ARE SOUGHT IN THE FOLLOWING AREAS:

- ❖ Artificial Intelligence, Machine Learning, and Deep Learning (AMD)
- ❖ Data Science (DSC)
- ❖ Networking and Information Security (NIS)
- ❖ Sequential, Parallel, Distributed and Cloud Computing (PDC)
- ❖ Multimedia, Signal Processing, Embedded Systems (MSE)
- ❖ Power, Smart Grid and Internet of Things (PSI)

OCIT technical program will include contributed papers and contributions from invited speakers. OCIT 2025 will have **pre-conference-tutorials, keynotes, plenary talks, technical sessions, special sessions, expert panels, research demo session (RDS), and student research forum (SRF).**

Several best paper awards will be available like each year.

Paper Submission Guidelines

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. Full paper manuscripts must be in English with double column format of maximum 6 pages. Authors need to prevent identity disclosure in all form. OCIT will follow no show policy, i.e., accepted papers are to be registered and presented, otherwise the paper will be removed. Conference proceeding will be published by IEEE (Conference Record #66168). Author need to refer IEEE conference proceedings for preparing the manuscript.
